LOCATION

Duns is a small town with a population of around 2,625 in a lovely rural area at the foot of the Lammermuir Hills. It has excellent shopping and educational facilities for its size, the latter having been greatly enhanced by the opening of its new secondary school in 2009. For those interested in recreational pursuits, pleasant walks can be found in the tranquil surroundings of Duns Castle Nature Reserve and more energetic activities are well catered for with a fine 18 hole golf course, swimming pool and tennis courts. More extensive shopping and recreational amenities can be found in the larger towns of Berwick-upon-Tweed which also has a mainline railway station (15 miles) and Kelso (approximately 19 miles).
